

The Arab Socialist Ba'ath Party
Arab Republic of Syria – State HQ
Central Crisis Management Cell

Summary Recommendations to Remedy Situation in Aleppo

First - Party Branch Secretary:

1. To provide all forms of support, moral and material, to supporters;
2. To run reinforced security patrols to instil security and assurance among citizens;
3. To secure citizens' basic needs, toughen control over markets and to penalise those in monopoly;
4. To position military units in selected spots at the outskirts of Aleppo;
5. To ease tension among students of Aleppo University.

Second - Aleppo Chief of Police:

1. To instruct military units to deal with armed men in the province's towns and villages;
2. To set up roadblocks on Aleppo's borders with Idlip;
3. To run joint patrols on the roads parallel to Idlip;
4. To organise the works of popular and partisan committees to operate under the supervision of the province's security committee;
5. To increase the number of personnel and weapons in all the police units in the province.

Third – Political Security Division:

1. To impose the state prestige and stature in the province;
2. To carry out a large scale cleansing campaign in Idlib's cities, towns and villages and those parallel to Aleppo;
3. To reinforce citizens' self-esteem and confidence in the state;
4. To deal with peaceful demonstrations in legal fashion;
5. To take legal action against all outlaws;
6. To thoroughly examine information and carry out surprise quality operations; and to hunt down emerging secret terrorist organisations;
7. To secure industrial areas, installations, factories and facilities by permanent police posts in direct communication with workers therein; increase the number of security and police checkpoints and carry out thorough searches;
8. To suppress protests in Aleppo by the order control personnel;
9. To take care of Aleppo University students; attract them and solve their problems;
10. To set up a number of operation rooms in some cities in the province and in the industrial area;
11. To instruct heads of apparatuses to carry out political and social measures according to their respective duties;
12. To place Kurdish areas under surveillance; and to coordinate with the Kurdistan Labour Party in secret to quell protests and protesters; and not to intervene by security forces in the Kurdish areas; and to arrest those planning to vandalise or carry arms;
13. To reinforce order by at least 500 personnel; to provide weapons and hardware necessary to police, security and order units;
14. To allocate necessary expenses from the province.

Fourth – General Intelligence Dept:

1. To increase the number of order control instructed to deal with demonstrations;
2. To reinvigorate the role of Baathist comrades, security patrols, and to revive dialogue;
3. To reinforce the role of police and security apparatuses in the province and to provide four-wheel drive vehicles.

Fifth – Air Force Intelligence Dept:

1. To install military posts based on a study presented by a committee from the Armed Forces at the earliest;
2. To enter areas with security problem and to eliminate it immediately;
3. To support citizens by providing arms, organise them and intensive presence of Border Guards in the area parallel to Turkey;
4. To re-impose Emergency Law;
5. To restructure internal security forces;
6. To secure roads and airports; to protect citizens.

Sixth – Aleppo Province:

1. To secure the Damascus-Aleppo road;
2. To reinforce security forces by not less than 1,500 personnel;
3. To provide necessary protection to factories and to arm the owners of these factories;

Eternity to our mission
